## Two Sisters Aiming High and Falling Short...

Perfect for fans of Sarah Mlynowski and Jenny Han, this heartfelt and humorous contemporary take on *Sense and Sensibility* follows two sisters—complete opposites—who discover the secrets they’ve been keeping make them more alike than they’d realized.

For siblings as different as Plum and Ginny, getting on each other’s nerves is par for the course. But when the family’s finances hit a snag, sending chaos through the house in a way only characters from a Jane Austen novel could understand, a distance grows between them like never before.

Plum, a self-described social outcast, finally has something in her life that doesn’t revolve around her dramatic older sister. But what if coming into her own means Plum isn’t there for Ginny when she, struggling with a hard secret of her own, needs her most?

Debut picture book author Blair Thornburgh and award-winning illustrator Scott Campbell put their heads together to celebrate one of the most important bones in your body: the skull!

You probably don't think much about skulls. So what's the big deal about them?

Well, every head of every person you've ever seen has a skull inside.

And that includes YOU!

## From girl next door to the top of the charts...

A laugh-out-loud debut filled with hilarious awkward encounters, a supportive LGBTQ organization, and too many cheesy lyrics to count.

Junior Nattie McCullough has always been that under-the-radar straight girl who hangs out in the cafeteria with her gay-straight alliance friends. She's never been the girl that gets the guy, let alone the girl that gets a *hit song* named after her.

But when last summer's crush, smoking-hot musician Sebastian Delacroix—who has recently hit the mainstream big-time—returns home to play a local show, that's *just* what she gets. He and his band, the Young Lungs, have written a chart-topping single—"Natalie"—which instantly makes Nattie second guess everything she thought about their awkward non-kiss at that June pool party. That it was horrific. That it meant nothing. That Sebastian never gave her another thought.

To help keep her mind off of Sebastian and his maybe-about-her, maybe-not-about-her song, Nattie throws herself into planning the school's LGBTQIA dance. That proves problematic, too, when Nattie begins to develop feelings for her good friend Zach. With the song getting major airplay and her once-normal life starting to resemble the cover of a gossip magazine, Nattie is determined to figure out once and for all if her brief moment with Sebastian was the stuff love songs are made of—or just a one-hit wonder.
